1936 R311 LEATHER FINISH PREMIUMS

These black & white premiums measure 6" x 8" and were issued in 1936. These are referred to as "leathers" because of their leather-like surface. Each also features a facsimile signature. Also featured were the team photos of the 1935 pennant winners (Tigers and Cubs). These are tough.

FOOTBALL SETS

30. 1948 BOWMAN FOOTBALL COMPLETE SET VG-EX

The 1948 Bowman set consists of 108 cards and is considered the first football set of the modern era. Set includes the following Hall of Famer rookie cards - Sammy Baugh, Bob Waterfield, Bulldog Turner, Bill Dudley, George McAfee, Wojciechowicz, Pihos, Sid Luckman, Trippi and Van Brocklin. Also included in this set are many tough short prints. This set grades VG-EX overall but many of the cards present better with reasonably sharp corners. At some point the cards appear to have been removed from the original album and most cards have a corner crease (usually in the lower left corner) from being placed originally in the album. Take a look at the star cards pictured, which are very representative of the entire set. This is an expensive set to piece together one-by-one.

Call for further description. Full Beckett guide value is 7000.00 and Standard Catalog is 8000.00. **\$2450.00**

1914 B18 BLANKETS

We have a small group of the popular 1914 cloth "blankets", which were used to wrap various brands of tobacco 100

years ago. They measure 5-1/4" square. These flannels were produced in various colors – they are great period pieces. (We also have a full set which will be offered at a later date or call). The color shown is the color of the infield unless noted – some of these variations are pretty scarce.
