These sepia/color tone cards measure 2" x 3" and feature many stars and Hall of Famers from 1952. Much tougher than Topps and Bowmans of the same era. We recently broke up a set – most all cards available.

## 1955 TOPPS DOUBLE HEADERS – UNPERFORATED

For the first time in years we have located a part set of the scarce 1955 Topps Double Headers unperforated in sensational condition. These are tough variations – in the 1970's Kit was called the "King of the double headers" – he had over 1000 double headers – 16 complete sets. But the entire collection was the normal perforated (folded) cards except for one set he acquired that were issued completely unperforated. This scarce variation apparently came from a printing run that didn't perforate the cards (or possibly was from a Topps employee). We have about half the set with this cool variation.

Issued over a 3 year period (1934-36) by the National Chicke Co., this set is loaded with Hall of Famers – some of which have 2 different cards. The Batter Up set is among the most difficult to piece together from the era as it features a very difficult high number series. We have a group of these singles available so collectors can add these condition sensitive cards to their collections.
