1952 TOPPS #407 EDDIE MATHEWS PSA 1

Here's one of the key cards in this iconic set – Eddie Mathews rookie - graded a "1" – we thought this would grade higher. You can see centering is good on front and back. Surface creasing on front top to bottom to the right of the "B" in hat. Pretty light creasing; doesn't break the surface. Couple light tiny surface lines across chin area. Typical soft corners – some wear on right border. Color overall is pretty good. This would be a nice addition to a 52 set or to a Mathews collector. Please call if you need further description. Only \$1395.00

ERRORS AND VARIATIONS

In Topps' long fabled history the company produced thousands of individual cards, but in certain years the company made "errors" in printing. In most cases the errors were fixed in subsequent print runs – creating an instant scarcity. We have a great selection of these "errors & variations".

1970 KELLOGGS FOOTBALL

The 1970 Kelloggs football set was the company's first football issue. These 3-D cards are not offered very often – especially as singles. These are pretty clean. Cards graded VG-EX may have tiny cracks in the corners but no larger cracks in the pictures. Collect your favorite players or teams. Big names, little prices.
