# 1959 FLEER TED WILLIAMS

Imagine a player so popular that a company produced a set entirely of him. That's exactly what happened in 1959 when Fleer signed Ted Williams away from Topps. This 80 card set highlights his historic career – both in and out of baseball. These cards are very affordable compared to his Topps and Bowman cards.

# 1964 TOPPS VENEZUELAN

These are really neat and very tough to find. These cards were issued in Venezuela and are the same design as the regular Topps U.S.A. version except instead of orange the backs are black and the cartoons are red. We haven't ever offered a grouping this big. These cards are very condition sensitive and some have some toning on the backs.
