Here's a quiz: How do two aging card guys complete a large buy in this age of pandemic? It was a long and winding road. Our story began in the Fall of 2019 on one of our road trips when we met with a long time collector "Stormin' Norman" Seraphin. We hooked up with him at a suburban home in the Bay Area. We were greeted by a "tag team" of Norm and his son David. Norm immediately announced that we were just going to look at part of his collection, only a few binders. Bummer! But you can only buy what you are offered. What binders!! The first one was 1948 Leafs with multiple Ruths, Jackie Robinson rookies, Musial, Williams, a few hundred cards. Great condition too. It took the 3 of us hours to pore through the cards, debating condition and values. One of us thought the cards graded 6 or 7; the other insisted they were 5 or 6. (I'll let you figure which was which). After a few hours of haggling, we just gave up, exhausted. It should be noted our combined ages is north of 150. Norm's an octogenarian; I'm just a kid. It was painful to leave with about a dozen binders untouched but we had scheduled appointments in the Northwest the following days.

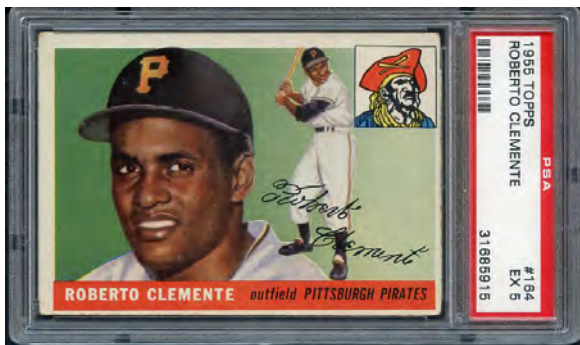

So we agreed we'd get together the next time I was in the Bay Area. I assured the Seraphin boys "I'll be back" but lo and behold a couple days later David called and said they'd like to meet again on our way South. Terrific! We returned a week later for round two for another confrontation of us two grumpy old men. It should be noted that Norm scowls some, doesn't say a lot, but is a very sweet fellow. Sometimes he'd grin and give me the thumbs up when we debated values, literally card by card. Other times he'd shake his head and then give the dreaded "thumbs down". The first binder this time was about 500 high grade 1954 Topps – 7 Ted Williams! 7 Jackies! Ridiculous depth. Same thing with the next binder of Leaf Football. The analysis and squabbling went on for hours before we finally called it a day. Again, more than a dozen binders were left, untouched. We agreed we'd meet again in 2020.

The came the pandemic and all bets were off. No way two old geezers could meet. Then David, a young sprout of 25, suggested we do this using this "new fangled" thing called Zoom. So, for 5 straight weeks every Monday David and Norm would meet Rob Rosen and me to value the rest of the collection. So this time Norm and I argued by phone – eventually we struck a deal. This time almost everything was Pre-War. The 9 month saga ended this month when David met with Scott for delivery at Magic Mountain. Seems like a fitting spot for this magical hobby.

With apologies to the 1000s of collectors who have sold us cards the past 45 years, this has to be my favorite buy (and certainly the longest one). Norm is a sweet, gentle fellow and David was wonderful (without him, Norm and I would still be sitting arguing prices).

Thanks again to "Stormin' Norman" and David.

1914 T222 FATIMA BASEBALL TAKE 20% OFF CARDS IN THIS SECTION - EXPIRES 9/15/20

Extremely rare and popular tobacco issue. Cards measure approx. 2-1/2" x 4-1/2" and feature high gloss sepia toned photographs of period stars of the diamond. Please note: In our opinion the grading companies tend to be harsh in their numerical grades for this issue. These cards present much nicer than their technical grades would indicate.

1929 INTERNATIONAL NEWSREEL PHOTO WRITING TABLET COVERS - RARE 20% OFF - EXPIRES 9/15/20

This was a find from a buy in Northern Pennsylvania. We researched many sources but cannot locate them anywhere. We are told by the seller that they were covers for large writing tablets. They measure approx. 5" x 8", have black & white photos surrounded by a fancy border and are blank backed. They feature action poses of many players and are truly rare. Only one of each available. All grade EX-MT condition unless noted.

BOYHOOD COLLECTION

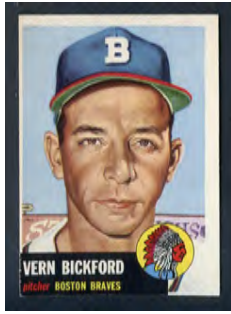

We recently bought a phenomenal collection of 1953, 1954 and 1955 Topps from a Northern California collector who preserved his cards like we have never seen. As a boy he opened Topps packs from 1953-1955 and carefully put them away in boxes, which produced this amazing offering of gems. Cards feature pack fresh images, sharp corners and almost no corner wear. Cards have usual centering for back in the day as there was little "quality control" back then as it was not an issue. Great opportunity to acquire "pack fresh" quality type cards from a one of a kind boyhood collection.

We picked up a nice grouping of these hard to find 1948-52 Exhibit cards including many of the tough "short prints". These black & white cards are blank back and postcard sized. These were sold in vending machines. Look closely - there are some big names and short lived NFL teams included.

KIT YOUNG'S AUTOGRAPHED CARD EXTRAVAGANZA

All autographs are clean and legible unless noted. Condition listed is condition of the card. These are cards we've picked up in various collections the last 6 months. Signatures appear authentic in our opinion; however, because many of these are vintage we do not have letters of authenticity. We've priced these to reflect that. Only one of each available.

1943 & 1949 M.P. & COMPANY (R302)

These cards were originally issued in strips and feature color "drawings". They are one of only a few war-time card issues and are relatively inexpensive for cards that are over 70 years old. Backs contain brief write ups. They were originally issued in 1943 and reissued in 1949 with numbers on the backs and added new players. Both years measure 2-11/16" x 2-1/4"

GRADING

Although each dealer has his own standards, following is a general description of our grades:

NR-MT - Extremely sharp corners, no visible wear or creasing, centered at least 75/25. Beautiful cards.

EX-MT - 4 sharp corners, no creasing or noteworthy wear, centering at least 80/20.

EX - No creasing, a modest amount of corner wear (no rounding), most centered 85/15 or better.

VG-EX - Very collectible cards, centered 85/15 or better on nearly all cards, can have minor creasing, no other noteworthy wear.

VG - Similar to VG-EX but can have a bit more corner rounding, centering is usually at least 90/10 (most better). Can have minor creasing and/or surface wear.

GD-VG - Cards can have creasing and/or rounded corners, most centered normally with a few way off center.

FR-GD/Fair - A well worn card with significant creasing and corner rounding. Can have erasure marks, paper loss or minor writing. Most "bargain priced" at 10-15% of full guide.

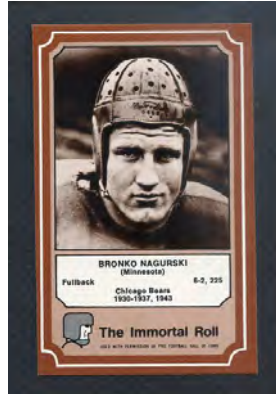

Poor - A "filler" card with a combination of creasing, lots of corner wear, possible writing, paper loss, tape mark, etc.

PLEASE NOTE: These are just guidelines: Not all cards are the same, of course. Sometimes we use half grades (such as VG-EX/EX) - this means the card grades in the middle of both grades shown.

In Topps' long fabled history the company produced thousands of individual cards, but in certain years the company made "errors" in printing. In most cases the errors were fixed in subsequent print runs - creating an instant scarcity. We have a great selection of these "errors & variations".
