1950 BREAD FOR HEALTH BREAD LABELS

Quite possibly one of the rarest football card collectibles in existence. These were actually labels on the ends of loaves of bread from the grocery store in 1950. Awesome, imagine what that looked like back in the day. "Mom, can we buy 20 loaves of bread today?"

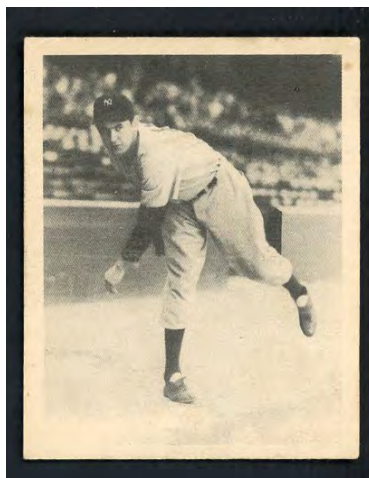

All graded authentic by PSA due to the Bread for Health tab being cut off.

KIT YOUNG'S AUTOGRAPHED CARD EXTRAVAGANZA

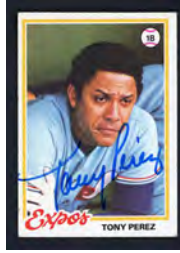

All autographs are clean and legible unless noted. Condition listed is condition of the card. Signatures appear authentic in our opinion; however, because many of these are vintage we do not have letters of authenticity. We've priced these to reflect that. Only one of each available.

TYPE SET COLLECTORS

There seems to be as many ways to collect as there are collectors. Favorite team, favorite player, collect by decade, by country/city of birth, card number, etc. – certainly one of the reasons our hobby appeals to many. An interesting way that many people collect is to get one card from as many sets produced as possible. Such a collection is a great representation of teams, manufacturers, players, images, eras – the list goes on. Here is an opportunity to start/add to your type collection – we will continue to update in future flyers as items become available.

ERRORS AND VARIATIONS

In Topps' long fabled history the company produced thousands of individual cards, but in certain years the company made "errors" in printing. In most cases the errors were fixed in subsequent print runs - creating an instant scarcity. We have a great selection of these "errors & variations".

1969 TOPPS DECALS

These are like mini versions of the regular card. They are full color and measure 1" x 1-1/2". These are nice, mainly EX-MT or better, a few EX+/EX-MT. Almost all decals grading VG-EX/EX have a minor nick in the border or corner – very nice overall.
