

KIT YOUNG'S SALE #174

1952 TOPPS #311 MICKEY MANTLE ROOKIE SGC 10 PR

Grading a solid SGC 10 PR (equals a PSA 1), this gem features outstanding image focus and great color. Creasing visible across Mickey's hat and top of forehead. Well centered top to bottom (approx. 65/35) and 70/30 side to side. Front has some tape residue on Mickey's hat and bottom border area not affecting Mickey's iconic image. Small paper loss at bat on shoulder position...hardly noticeable. Corners show mid-grade to VG rounding. Back is completely readable with 2 spots of glue/tape residue. In today's market this guy just keeps going up, up, up! **\$26,995.00** We just read another graded "1" sold for \$31,000!

1951 BOWMAN #253 MICKEY MANTLE ROOKIE PSA 1 POOR-FAIR

Grading a solid PSA 1 PR-FR due mainly to the bottom right corner being tattered away. Card features great image clarity and color. 60/40 side to side and 75/25 top to bottom. Corners show typical rounding for the grade. Print roller mark is visible at Mick's shoulder. Back is clean and readable. Great rookie card of The Mick! **\$9995.00**

BRAND NEW BUYING PRICES

We have revamped our buying list to includes many more stars, including professionally graded cards. When you review this, please remember it is new and may contain typographical errors. Please call if you see prices that are unrealistically high or low.

Buy prices subject to change due to market fluctuations or quantities.

Graded cards: We buy cards graded by PSA, SGC and BVG only. We pay the same prices for all three companies on cards \$1000 or less and 80-90% for SGC and BVG cards above \$1000. We do not buy cards with qualifications (MC, OC, ST, MK, etc).

Centering: Please send cards centered 75/25 or better (not cards way off center). Please call if you have high value cards with poor centering to discuss buy price.

Don't forget – we are big buyers of collections and accumulations, including sets, partial sets, star cards, regional issues, Topps insert sets, specialty sets and more. Please call.

If you have questions, please call 858-259-1300 and ask for Kit or Rob Rosen.

1950 BREAD FOR HEALTH LABELS TAKE 20% OFF

Quite possibly one of the rarest football card collectibles in existence. These were actually labels on the ends of loaves of bread from the grocery store in 1950. Awesome, imagine what that looked like back in the day. "Mom, can we buy 20 loaves of bread today?"

All graded authentic by PSA due to the Bread for Health tab being cut off.

KIT YOUNG'S AUTOGRAPHED CARD EXTRAVAGANZA

All autographs are clean and legible unless noted. Condition listed is condition of the card. Signatures appear authentic in our opinion; however, because many of these are vintage we do not have letters of authenticity. We've priced these to reflect that. Only one of each available.

RARE & UNUSUAL VINTAGE CARDS

There seems to be as many ways to collect as there are collectors. Favorite team, favorite player, collect by decade, by country of birth, birthday, card number, etc. – certainly one of the reasons our hobby appeals to so many. An interesting way that many people collect is to get one card from as many sets produced as possible. Such a collection is a great representation of teams, manufacturers, players, images, eras – the list goes on. Here is an opportunity to start/add to your type collection – we will continue to update in future flyers as items become available.

ERRORS AND VARIATIONS

In Topps' long fabled history the company produced thousands of individual cards, but in certain years the company made "errors" in printing. In most cases the errors were fixed in subsequent print runs - creating an instant scarcity. We have a great selection of these "errors & variations".
