RARE & UNUSUAL VINTAGE CARDS

There seems to be as many ways to collect as there are collectors. Favorite team, favorite player, collect by decade, by country of birth, birthday, card number, etc. – certainly one of the reasons our hobby appeals to so many. An interesting way that many people collect is to get one card from as many sets produced as possible. Such a collection is a great representation of teams, manufacturers, players, images, eras – the list goes on. Here is an opportunity to start/add to your type collection – we will continue to update in future flyers as items become available.

1958 HIRES ROOT BEER NO TABS

We are breaking a full set we just purchased from Hawaii. This set was issued for a fan club and original had an advertising tab attached to the card. Nearly all tabs were removed, leaving colorful cards. Please note: these cards

come in various sizes (due to the printing process). The SCD guide says they "vary in measurement" – pretty scarce set. All without tabs unless noted.

BRAND NEW BUYING PRICES

We have revamped our buying list to include many more stars, including professionally graded cards. When you review this, please remember it is new and may contain typographical errors. Please call if you see prices that are unrealistically high or low.

Buy prices subject to change due to market fluctuations or quantities.

Graded cards: We buy cards graded by PSA, SGC and BVG only. We pay the same prices for all three companies on cards \$1000 or less and 80-90% for SGC and BVG cards above \$1000. We do not buy cards with qualifications (MC, OC, ST, MK, etc).

Centering: Please send cards centered 75/25 or better (not cards way off center). Please call if you have high value cards with poor centering to discuss buy price.

Don't forget – we are big buyers of collections and accumulations, including sets, partial sets, star cards, regional issues, Topps insert sets, specialty sets and more. Please call.

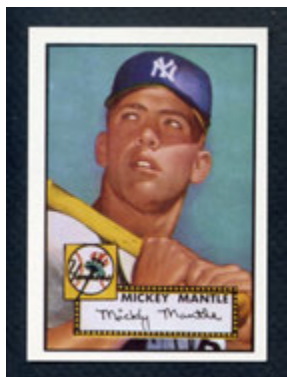

If you have questions, please call 858-259-1300 and ask for Kit or Rob Rosen.
