ERRORS AND VARIATIONS

In Topps' long fabled history the company produced thousands of individual cards, but in certain years the company made "errors" in printing. In most cases the errors were fixed in subsequent print runs - creating an instant scarcity. We have a great selection of these "errors & variations".

BRAND NEW BUYING PRICES

We have revamped our buying list to includes many more stars, including professionally graded cards. When you review this, please remember it is new and may contain typographical errors. Please call if you see prices that are unrealistically high or low.

Buy prices subject to change due to market fluctuations or quantities.

Graded cards: We buy cards graded by PSA, SGC and BVG only. We pay the same prices for all three companies on cards \$1000 or less and 80-90% for SGC and BVG cards above \$1000. We do not buy cards with qualifications (MC, OC, ST, MK, etc).

Centering: Please send cards centered 75/25 or better (not cards way off center). Please call if you have high value cards with poor centering to discuss buy price.

Don't forget – we are big buyers of collections and accumulations, including sets, partial sets, star cards, regional issues, Topps insert sets, specialty sets and more. Please call.

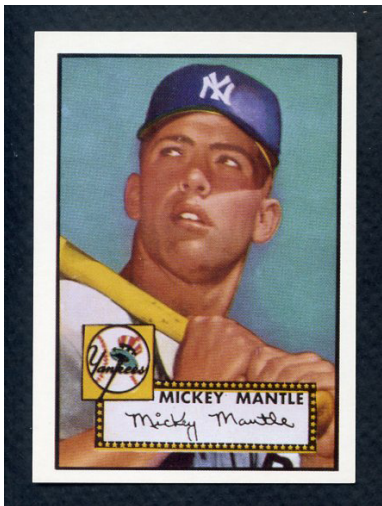

If you have questions, please call 858-259-1300 and ask for Kit or Rob Rosen.
