# RARE & UNUSUAL VINTAGE CARDS

There seems to be as many ways to collect as there are collectors. Favorite team, favorite player, collect by decade, by country of birth, birthday, card number, etc. — certainly one of the reasons our hobby appeals to so many. An interesting way that many people collect is to get one card from as many sets produced as possible. Such a collection is a great representation of teams, manufacturers, players, images, eras — the list goes on. Here is an opportunity to start/add to your type collection — we will continue to update in future flyers as items become available.
