# ERRORS AND VARIATIONS

In Topps' long fabled history the company produced thousands of individual cards, but in certain years the company made "errors" in printing. In most cases the errors were fixed in subsequent print runs - creating an instant scarcity. We have a great selection of these "errors & variations".

# RARE & UNUSUAL VINTAGE CARDS

There seems to be as many ways to collect as there are collectors. Favorite team, favorite player, collect by decade, by country of birth, birthday, card number, etc. – certainly one of the reasons our hobby appeals to so many. An interesting way that many people collect is to get one card from as many sets produced as possible. Such a collection is a great representation of teams, manufacturers, players, images, eras – the list goes on. Here is an opportunity to start/add to your type collection – we will continue to update in future flyers as items become available.

# OUR BUYING PRICES

We have revamped our buying list to includes many more stars, including professionally graded cards. When you review this, please remember it is new and may contain typographical errors. Please call if you see prices that are unrealistically high or low.

Buy prices subject to change due to market fluctuations or quantities.

**Graded cards:** We buy cards graded by PSA, SGC and BVG only. We pay the same prices for all three companies on cards \$1000 or less and 80-90% for SGC and BVG cards above \$1000. We do not buy cards with qualifications (MC, OC, ST, MK, etc).

**Centering:** Please send cards centered 75/25 or better (not cards way off center). Please call if you have high value cards with poor centering to discuss buy price.

Don't forget – we are big buyers of collections and accumulations, including sets, partial sets, star cards, regional issues, Topps insert sets, specialty sets and more. Please call.

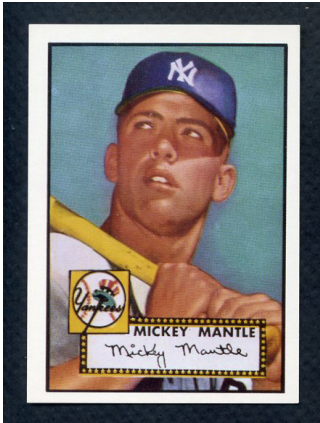

If you have questions, please call 858-259-1300 and ask for Kit or Rob Rosen.

## 1994 THE SPORTING NEWS CONLON BURGANDY COLLECTION

This 330 card set is one of the rarest Conlon products ever produced. These burgundy cards with gold embossing only appeared (1) in every pack of regular TSN Conlon Collection cards. Having a complete set of 330 cards is really something. Cards are numbered #991-1320. The set features baseball legends like Ty Cobb, Joe Jackson, Babe Ruth, Lou Gehrig, Walter Johnson, Honus Wagner, Nap Lajoie, Jimmie Foxx and many more. The set also includes umpire cards, in-action cards and cards of brothers in The National Pastime and a run of players being pictured on cards for the first time. Overall grade is NR-MT or better. Set comes housed in its own lucite box holder.
